Instructions

User flow for "sign in"

1. User clicks on link from social media

A rectangular card with a header bar containing a circular icon with a cross. Below the header is a wavy line representing a title. The main body of the card is a table with 2 columns and 4 rows. The bottom row of the table contains five small circles.

2. User finds "Book my call" button or signs in

A horizontal bar containing three main sections. The first section has a checkbox with an 'X' and a button labeled 'Book my call'. The second section has a wavy line and a button labeled 'Sign in'. The third section has a button labeled 'Log in'.

3. Users will fill out registration form & click continue

A form titled 'Sign Up' with the subtext 'Already have account? click here.' Below the title are four input fields: 'First Name', 'Last Name', 'Company email', and 'Phone'. Below these is a 'Continue' button.

4.

Users will be required to approve or decline terms and conditions

A screen with a header bar. Below the header is a wavy line representing the terms and conditions. At the bottom are two buttons: 'Yes' and 'No'.

5.

Users will create user name & password & click to "Login"

A screen titled 'Create User' with two input fields: 'Name' and 'Create Password'. Below these is a 'Login' button.

6. Users will be navigated to main dashboard where they'll be instructed to request a project right away.

A dashboard titled 'Project Files Acc. Settings' with a 'Logout' button. Below the title is a wavy line representing instructions and a 'Request' button.

User flow for "sign in"

1. User clicks on link from Social media

A rectangular card with a header containing a circular icon with a cross and wavy lines. Below the header is a table with 2 columns and 3 rows. At the bottom of the card are five small circles arranged horizontally.

2. User finds "Book my call" button or signs in

A horizontal bar containing several UI elements: a square button with an 'X' icon, a small square button, a 'Sign in' button with a right-pointing arrow, a text input field with wavy lines, a 'Book' button, another text input field with wavy lines, a third text input field with wavy lines, and a large rectangular button.

3. Users will fill out registration form & click continue

A registration form titled 'Sign Up' with the subtext 'Already have account? Click here.' It contains input fields for 'First Name', 'Last Name', 'Company email', 'Phone', and 'Company name'. At the bottom is a 'Continue' button.

4.

Users will be required to approve or decline terms and conditions

A screen for terms and conditions. It features a header, a large text area with wavy lines, and two buttons at the bottom labeled 'YES' and 'NO'.

5. A

Users will create user name & password & click to "Login"

A screen for creating a user. It has a title 'Create User' and two input fields labeled 'Name' and 'Create Password'. At the bottom is a 'Login' button.

6. Users will be navigated to main dashboard where they'll be instructed to request a project right away.
