Instructions

User flow for "sign in"

1. User clicks on link from social media

A hand-drawn card representing a social media link. It features a circular icon with a cross in the top left corner, a wavy line representing a profile picture, and a grid of six empty squares below. At the bottom, there are five small circles representing a row of dots.

2. User finds "Book my call" button or signs in

A hand-drawn user interface showing a registration or login screen. It includes a header with a logo, a 'Book my call' button, a 'Sign in' button, and several input fields for user details. There are also checkboxes for 'Remember me' and 'I agree'.

3. Users will fill out registration form & click continue

A hand-drawn 'Sign Up' form. It asks if the user 'Already have account?' and provides a 'click here' link. Below are input fields for 'First Name', 'Last Name', 'Company email', 'Phone', and 'Company name'. A 'Continue' button is at the bottom.

4.

Users will be required to approve or decline terms and conditions

A hand-drawn screen for terms and conditions. It features a wavy line representing the text of the terms, a 'Yes' button, and a 'No' button.

5.

Users will create user name & password & click to "Login"

A hand-drawn 'Create User' form. It includes input fields for 'Name' and 'Create Password', and a 'Login' button at the bottom.

6. Users will be navigated to be main dashboard where they'll be instructed to request a project right away.

A hand-drawn screen titled 'Project Files and Settings'. It includes a 'Settings' button and a section for 'Instructions' with a wavy line representing the text.

User flow for "sign in"

1. User clicks on link from Social media

A rectangular card with a header containing a circular icon with a cross and wavy lines. Below the header is a table with 2 columns and 3 rows. At the bottom of the card is a row of five small circles.

2. User finds "Book my call" button or signs in

A rectangular button with a header containing an envelope icon, a small square icon, and a "Sign in" label. Below the header are three sections: the first contains wavy lines and a "Book" label; the second contains wavy lines; the third contains an 'X' icon. At the bottom is a large empty rectangular box.

3. Users will fill out registration form & click continue

A "Sign Up" form with the heading "Already have account? Click here." Below the heading are input fields for "First Name", "Last Name", "Company email", "Phone", and "Company name". At the bottom is a "Continue" button.

4.

Users will be required to approve or decline terms and conditions

A screen with a header, a section for "Accept terms and conditions" containing wavy lines, and two buttons labeled "YES" and "NO" at the bottom.

5.

Users will create user name & password & click to "Login"

A "Create User" form with input fields for "Name" and "Create Password", and a "Login" button at the bottom.

6. Users will be navigated to main dashboard where they'll be instructed to request a project right away.

A screen with a header "Project Files" and "Settings" (with a gear icon). Below the header is a section for "Instructions" containing wavy lines and a "Start" button.
